

Subject – Support for Lake Placid, Seguin, TX

Dear Mr. Walker, Mr. Lake, Ms. Jackson and Ms. Paup,

I am reaching out to express my support for Lake Placid in Seguin, TX. Securing the future of Lake Placid is important for multiple reasons:

The lake is a significant economic driver in the City of Seguin, the County and the School Districts.

The lake provides critical flood protection in high flow events and the spill gates and levees need to be updated to prevent catastrophic failure

The public boat ramp located under interstate 10 has made Lake Placid one of the most utilized public lakes in the community and surrounding areas

Lake Placid is home to several volunteer organizations focused on providing support for our military. The SS American Memorial Foundation provided service to over 4,000 soldiers and their families in 2019

There are many other reasons I could list, but I believe the above illustrates the importance of this lake to the Community as a whole. The Guadalupe Blanco River Authority, Lake Placid property owners, and Guadalupe Valley Electric Cooperative have worked together to find a solution to the problem before us. I hope that the Texas Water Development Board will support the application that has been submitted to help us move this solution to the finish line.

Sincerely,

YOUR NAME
